

MENNAT-ALLAH EL DORRY
REVISITING
THE FLORA OF
NEOLITHIC EGYPT

NOVEMBER 4TH, 2015
18–20 h

Mennat-Allah El Dorry holds a PhD in Egyptology from the Institut für Ägyptologie und Koptologie at Westfälische Wilhelms-Universität Münster and is currently Senior Research Fellow at Topoi.

This talk will discuss methodological concerns affecting the study of Neolithic Egyptian flora, with special reference to material excavated from the Western Delta site of Merimde Beni Salama.
